

GETPAWSY – BOARDROOM INVESTOR REPORT

Strategic Authority Expansion & Revenue Acceleration Plan

US Pet Industry Overview

- US Pet Industry valued at \$140B+ annually.
- Premium & enrichment segments show above-average growth.
- Search demand increasing for mental stimulation products.
- Authority gap opportunity in specialized enrichment niche.

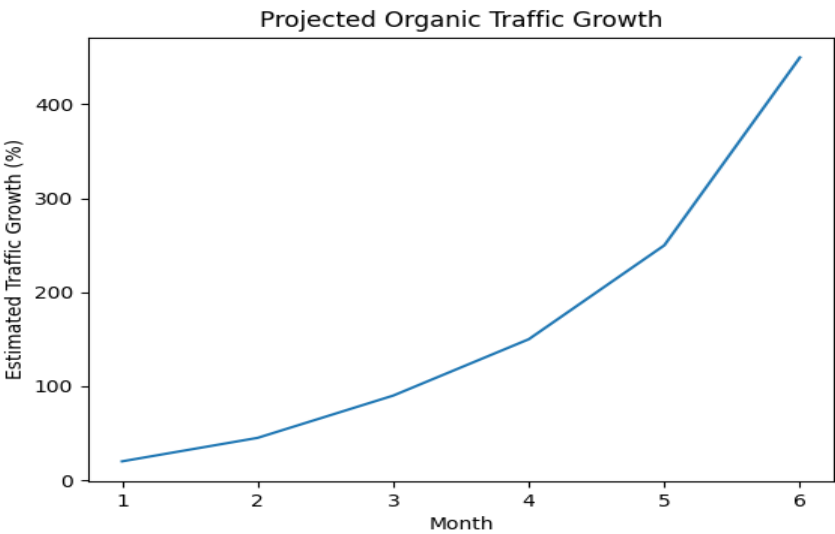

Competitive Positioning (Chewy / Amazon)

- Chewy/Amazon dominate transactional search terms.
- Gap exists in enrichment + behavior authority content.
- GetPawzy can win informational intent → convert internally.
- Long-tail SEO strategy reduces direct head-to-head competition.
